ABOUT ALIVE CHURCH

We are a vibrant contemporary church currently based in 6 locations; Lincoln Central, Lincoln North, Lincoln South, Grantham, Scunthorpe and Gainsborough. The heart of Alive is to allow every person to KNOW God, GROW in God and GO in the mission of Jesus through the church. We do this in a number of ways but primarily our activities are centred around Sunday Services, midweek Life Groups, children's, youth and student ministry and community based projects that seek to bring transformation to the localities we are based.

We are part of the Groundlevel Network of churches and therefore are actively involved in all of the activities of Groundlevel. This includes the Awaken Event and the Leaders Conference. In addition to this Alive Church is a member of the Evangelical Alliance.

Alive Church Lincoln is a registered charity (No: 1140435) and a company limited by guarantee having no share capital. (Registered Company No: 7494717)

Vision

Our vision is as follows...

We see Alive as a strategic multi-site church made up of thousands, expressing itself in numerous locations, seeing many people come to faith and equipping people who passionately follow Jesus Christ. We see a planting church who actively raise leaders and send teams to plant new locations. A church readily working in partnership with other churches and ministries for the advancement of God's Kingdom. We see Alive having a heart for the re-evangelisation of the UK, believing we have a significant contribution to make.

We see Alive as a **knowing** church. A multi-ethnic, multi-generational church who value all people, ensuring everyone is given an opportunity to know Jesus. We see a body of people who carry the heart and ethos of the church in all age ranges. We see Alive as a church of character and humility, where every person serves the mission of Christ, putting others before themselves. We see a church who deeply value both gathering together for vibrant Sunday worship and celebration and connecting together in small groups for friendship and discipleship.

We see Alive as a **growing** church. A bible-believing church, living out orthodox christian lifestyle handed down to us in word and deed. A Jesus-centred community growing in their faith and empowered to make a difference in the world. A positive Holy Spirit filled people demonstrating the fruit and gifts of the spirit and the character of Christ. We see Alive as a welcoming church where kindness and hospitality are the hallmark. A church who model the generous heart of God in their own generosity. A church who carry a spirit of excellence. A praying church who believe that nothing is impossible with God.

We see Alive as a **going** church. A church of influence, with involvement in all spheres of society and a focused mission into the world. A church with a heart for the poor and the marginalised, who are determined to bring transformation to people's lives. A church led by a dream team of committed staff and leaders. A team of men and women committed to God and to one another to see our dreams become a reality. We see a church that leads the way in training leaders who carry the DNA and culture of the house both within the church and into society, equipping all people to serve God in every area of their lives.

Tips for the interview

If you are successful in being offered an interview then the following information may be of value to you.

- Be yourself - act naturally;
- Try to relax and ask for water if you need it;
- Don't be afraid to take time to gather your thoughts and think of your best example to fit the question before speaking;
- It's OK to ask questions - remember it is a two-way conversation;
- It's also OK to ask the panel to repeat a question, or clarify your understanding for what you are being asked;
- If you are unsure about whether your example is what the panel was looking for, at the end of your response check with the panel that you have answered their questions;
- The panel will be busy taking notes during the interview and may not be able to maintain eye contact with you throughout the interview. Don't let that distract you or put you off. It's their job to get everything down so they have an accurate record of what you have said in the interview - it does not mean you are giving bad examples.
